

YOUR CLIENTS EXPECT PERSONALIZED SERVICE. YOU CAN COUNT ON THE SAME FROM US.

As a stylist, insurance coverage may not seem important, but it's crucial – not just for your clients, but for yourself. The right insurance helps cover the costs of unexpected events that may shut down the business you've worked so hard to build.

Sola Salon has partnered with The Hartford to provide coverage for stylists. They understand your business and provide coverages for your specific risks.

EXAMPLES OF COVERAGE STYLISTS LIKE YOU OFTEN BUY

Professional Liability. You're sued by a client claiming you did not cut her hair in the style she requested, causing her to lose a job opportunity.

Data Breach. Sensitive personal information (e.g., Social security numbers, bank account information) you collect or store on your employees/clients is lost or stolen.

Stretch®. Owning your own salon means you have to do a lot of extra things. So does Stretch®. The following shows the coverages and limits that come with the purchase of Stretch. Most of the limits can be customized to meet your needs.
